Scholarship Form

Elementary or High School Administrator Scholarship

This scholarship is a one-time offering to be executed during the 2012 and 2013 academic year. A limited number of scholarships are available.

An administrator at a Lutheran elementary or high school may receive a scholarship worth 1/3 tuition for each course in the online colloquy program if s/he adheres to the following guidelines throughout the time of participation in the program:

1. The scholarship is available only to full-time administrators currently on faculty at an LCMS elementary or high school. The local pastor and/or the head administrator may need to verify the colloquy applicant's status as an administrator. Due to the structure of this particular scholarship, administrators of early childhood centers are not eligible.
2. Principals must contact CUEnet directly to register him/herself or a subordinate administrator.
3. The administrator must enroll in and complete the Old Testament course in June or July 2012.
4. Scholarship dollars for the seven remaining courses are available only during the years of 2012 and 2013, so the administrator is encouraged to persist through the program aggressively.
5. This scholarship is not transferable. If circumstances cause the administrator to become unable to complete the program, the scholarship simply becomes null and void.
6. This scholarship may not be combined with any other CUEnet scholarship.
7. The Concordia Electronic Theological Library (CETL) is not provided as part of the scholarship. The administrator must purchase the CETL. The library must be paid in full before the Old Testament class begins in order for the scholarship to be considered in force.
8. Because of the extraordinary nature of this scholarship offer, no exceptions to the above stipulations will be made.

The scholarships available will be offered first come, first served to those persons who meet these requirements.

Administrators are asked to sign this document to reflect that they have read and agree to the requirements of this scholarship.
