OT: Old Testament

NT: New Testament

HT: History of Theology

CD (CD1/CD2): Christian Doctrine

LC: Lutheran Confessions

VB: Varieties of Belief

LT (LT1/LT2): Lutheran Teacher

Two different academic tracks have been created for colloquy participation. The first will function much as the program has traditionally, with a culminating final paper. This paper is written during the final two courses of the Paper Track, Lutheran Teacher I and II.

The second track operates with a portfolio model. This model requires students to produce many more small papers and paragraphs throughout the entire program, resulting in a portfolio of work demonstrating the student's comprehension of the doctrines of the church. The details of the portfolio will be specified during the first course of the Portfolio Track, Old Testament.

It is our hope that offering both designs will meet the needs of a wide variety of colloquy students, addressing diverse learning styles and work calendars. Each student will need to choose a track upon entering the program.

Each track will offer three courses per month. Please note that once the first several courses have been completed (Old Testament, New Testament, and History of Theology), it is not possible to move from portfolio to the paper track, or vice versa.
